I hereby agree to abide by the following conditions for use

- Duranillin Refuse site is for Shire of West Arthur ratepayers and local residents who live within Shire boundaries only. Keys are not to be loaned or lent. Only the applicant named on this form and their immediate family (aged over 17) or employees who reside at the above property may use the allocated key.
- Refuse site keys remain the property of the Shire of West Arthur.
- Waste shall be segregated in accordance with the signage displayed. There are separate areas for household waste, green waste, white goods, untreated timber, light metal and steel, building rubble, fencing material (posts removed), pushbikes, batteries and pressure vessels etc. For ease of use, separate rubbish into different waste streams before leaving home.
- All household waste shall be secured in strong, securely fastened rubbish bags.
- Fridges must be degassed. Gas bottles, fire extinguishers and pressure containers must be empty with valves removed.
- No hazardous chemicals including residues in containers, explosive devices including unspent cartridges, medical and veterinary waste including sharps, animal carcasses etc. to be deposited at this site.
- No asbestos and chemical containers allowed at this site, DARKAN REFUSE SITE accepts these products by appointment only – Ring Shire Office on 9736 2222

- No fires are to be lit within the refuse site.
- Keys must be returned to Shire office if the resident or ratepayer is no longer eligible for a key.
- Advise the Shire Office immediately if there is a fire or dumping of waste that does not comply with the conditions?
