Introduction

Format of Register

This Register includes:

- Delegations from the Council to the Chief Executive Officer, and where appropriate to other employees or other persons; and
- Sub delegations from the Chief Executive Officer to other employees.

The Register includes the relevant delegation decision followed by a sub delegation decision (where relevant).

The Register includes instruments of sub delegation, and appointments, which do not need to be adopted/approved by Council. They are included to reflect a “one stop shop” approach.

As a matter of principle throughout the Register, the Chief Executive Officer is the only employee authorised by the Shire of West Arthur to commence (or authorise the commencement of) legal proceedings.

Terminology and Acronyms

Clause – of the Shire of West Arthur Local Planning Scheme No. 2 referenced by ‘cl’, as in cl8.2.1.

Employee – refers to an employee of the Shire of West Arthur. It should be noted although the Chief Executive Officer may generally only delegate a function or duty to an employee (s5.44 Local Government Act 1995 and others), any ‘person’ may be appointed an Authorised Person (although some Acts, such as the Building Act 2011 and Health Act 1911 require only employees or certain qualified employees to be ‘authorised’ or ‘appointed’). Thus, care needs to be taken to ensure that contractors are not ‘delegated’ functions or duties, although they may be appointed as Authorised Persons.

Regulation – subordinate legislation, referenced by ‘r’, as in r22.

Schedule – to an Act, referenced as ‘Sch’, as in Sch 3.2.

Section - of an Act, referenced by ‘s’, as in s5.42.

Sub delegation – the terms ‘sub delegate’ and ‘sub delegation’ are used as a style preference, rather than ‘on delegate’ or ‘on delegation’.

Delegations and Sub Delegations

The application of delegated authority is intended to improve the efficiency, effectiveness and timeliness of decision making and is consistent with the Shire’s Strategic Community Plan and commitment to a strong customer service focus.

The use of delegated and sub delegated authority does not ‘undermine’ the roles and responsibilities of elected members constituting the Council as the peak local decision-making body of the community. Rather it should free up the Council from some matters to better able to deal with high level strategic matters and in the knowledge that decision making on the former will be made by employees consistent with Council Policy and precedents.

The Council (and the Chief Executive Officer in the case of most sub delegations) will only delegate matters where the relevant employees (or other persons) have the appropriate skills and expertise to implement the delegation/sub delegation within the Shire’s decision-making frameworks. At the same time the exercise of all delegated and sub delegated authority is subject to complying with relevant Policies of the Shire, which are cross referenced within each Instrument.

An important safeguard is also the principle that nothing prevents the delegating body or person from taking back a delegation or sub delegation or making the relevant decision on an issue.

This Register describes:

- the 'head of power' for the exercise of delegation to an elected member, employee, or person,
- the 'head of power' for sub delegation (where such authority exists under the relevant legislation),
- the precise authority being delegated, including any limits, restrictions, or conditions,
- relevant Shire policies applicable to the execution of the delegation or sub delegation,
- the statutory requirements for the Council to review all delegations, and others to review sub delegations

In general, for all matters, whether made under the Local Government Act 1995, or otherwise, the requirement of the Local Government Act 1995 to review the Register at least once every financial year will be followed, except where delegations under other Acts have different requirements. Where there is no statutory requirement for review, the provisions of the Local Government Act will be applied to ensure uniformity of approach and outcome.

Appointments

Consistent with the aim of providing a single resource, this Register includes appointments under various statutes, in some cases such appointments are "as of right" and in others the Council or the Chief Executive Officer has chosen not to make an appointment at the date of adoption of this Register.

Local Government Act 1995

Most delegations and sub delegations described in this Register originate under the Local Government Act 1995 which permits a local government (by absolute majority decision under s5.42(1)) to delegate to the Chief Executive Officer the exercise of any of its powers or the discharge of any of its duties under the Act except those listed in s5.43, which are:

- any power or duty that requires a decision of an absolute majority or special majority of the local government,
- accepting a tender which exceeds an amount determined by the local government,
- appointing an auditor,
- acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government,
- any of the local government's powers under s5.98, 5.98A, s5.99, s5.99A and s5.100 of the Act,
- borrowing money on behalf of the local government,
- hearing or determining an objection of a kind referred to in s9.5 of the Act,
- the power under s9.49A(4) of the Act to authorise a person to sign documents on behalf of the local government,
- any power or duty that requires the approval of the Minister or the Governor.

In addition, there are several other matters which cannot be delegated to the CEO:

- under r18G of the Local Government (Administration) Regulations and s7.12a, 7.12A(3)(a) and s7.12(4), which relate to meetings with auditors,

- matters covered by the CEO Standards, adopted by Council and which relate to the recruitment and performance management of the Chief Executive Officer
- under r16 of the Local Government (Financial Management) Regulations which prevent the delegation of matters relating to internal audit to an employee who has been delegated the duty of maintaining the day-to-day accounts or financial management operations.

The delegation powers under the Local Government Act 1995 relate to the Act itself, Regulations made under the Act and Local Laws made under the Act.

Other Legislation

Legislation other than the Local Government Act 1995, its Regulations and the Shire's Local Laws created under the Act where delegations, authorisations or appointments may occur (and which are relevant to the Shire of West Arthur) include:

- *Animal Welfare Act 2002,*
- *Australian Citizenship Act 2007,*
- *Building Act 2011 and Building Regulations 2012*
- *Bush Fires Act 1954, regulations and local laws created under that Act,*
- *Cat Act 2011 and regulations*
- *Caravan Parks and Camping Grounds Act 1995,*
- *Control of Vehicles (Off-Road Areas) Act 1978 and regulations,*
- *Dog Act 1976 and regulations,*
- *Equal Employment Opportunity Act 1984,*
- *Environmental Protection Act 1986,*
- *Food Act 2008,*
- *Freedom of Information Act 1992,*
- *Graffiti Vandalism Act 2016,*
- *Health (Miscellaneous Provisions) Act 1911 regulations and local laws created under that Act,*
- *Health (Asbestos) Regulations 1992,*
- *Land Administration Act 1997, and regulations,*
- *Litter Act 1979 and regulations,*
- *Local Government (Miscellaneous Provisions) Act 1960,*
- *Parks and Reserves Act 1895,*
- *Planning and Development Act 2005 including regulations, policies, and the Town Planning Scheme,*
- *Public Interest Disclosure Act 2003,*
- *Public Health Act 2016,*
- *Rates and Charges (Rebates and Deferments) Act 1982,*
- *Road Traffic Act 1974,*
- *Strata Titles Act 1985*

The Shire of West Arthur Local Planning Scheme No 2 permits delegation by Council to employees

(rather than via the CEO as per the Local Government Act). Accordingly, the process defined by the Town Planning Scheme for delegating authority and duties is utilised.

Sub Delegation by the Chief Executive Officer

The Local Government Act 1995 allows the Chief Executive Officer to delegate any of the powers delegated to the office of Chief Executive Officer to another employee (s5.44(1)), in writing (s5.44(2)) and may include conditions (s5.44(4)).

Review of Delegations

The Register of Delegations relevant to the CEO and other employees will be reviewed at least once every financial year (in accordance with the provisions of s5.46(1), (2)).

As a matter of principle, the Shire of West Arthur will review all delegations, authorisations, and appointments at least once in every financial year, whether under the Local Government Act 1995, or another Act. This is despite the varying requirements for review viz:

- *Building Act 2011* - no requirement
- *Bush Fires Act 1954* - no requirement
- *Cat Act 2011* - annual review requirement
- *Dog Act 1976* - annual review requirement
- *Food Act 2008* - no requirement
- *Graffiti Vandalism Act 2016* - no requirement
- *Public Health Act 2016* - no requirement
- *Planning and Development Act 2005* - annual review requirement

This will include the Chief Executive Officer reviewing all sub delegations, authorisations and appointments made by him or her.

Record of Actions and Decisions

If a person is exercising a power or duty that has been delegated (including sub delegated), the Local Government Act requires that records be kept whenever the delegated authority is utilised (s5.46(3)).

The record is to contain information on:

- how the person exercised the power or discharged the duty,
- when the person exercised the power or discharged the duty; and
- the persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or the discharge of the duty (r19 *Local Government (Administration) Regulations 1996*)

Sections responsible for a work process are to ensure that data is captured, and records managed in accordance with all legislation, as well as preparing reports to Council where required under a specific delegation.

Similar provisions do not exist under other legislation regarding record keeping (except for the Building Act 2011).

The CEO has determined that in relation to all record keeping of the exercise of delegated authority under legislation other than the Local Government Act 1995 that the provisions of the latter will apply and the same record keeping approach as required under the Local Government Act will be applied.

These requirements will be applied as an administrative instruction from the CEO.

Primary/Annual Returns and Gift Disclosures

A person to whom a duty or power is delegated under the Local Government Act 1995 is a 'designated employee' under s5.74(b) of the Act and is required to:

- disclose relevant interests s5.70 LGA
- complete a Primary Return s5.75 LGA
- complete Annual Returns s5.76 LGA

Although these requirements relate only to delegations under the Local Government Act 1995 and not any other Acts, the Council and the CEO have taken the decision to require compliance with those provisions, even when made under other Acts, to ensure all employees are treated equally in such disclosures.

A delegation has prepared in this Register to give effect to this approach, with the CEO delegated authority to nominate employees as "designated employees".

Acting through another person

The Local Government Act recognises that employees do not always need delegations (or sub delegations) to carry out their tasks and functions on behalf of the Shire - s5.45 (2):

Nothing in this Division (Division 4 - Local Government Employees) is to be read as preventing:

- a local government from performing any of its functions by acting through a person other than the Chief Executive Officer; or
- a CEO from performing any of his or her functions by acting through another person.

The key difference between a delegation and 'acting through' is that a delegate exercises the delegated decision-making function in his or her own right.

Thus, an employee may pay an account or issue an approval if directed to do so by another employee who has the authority to make such a decision and chooses to 'act through' another employee.

The principal issue is that where a person has no discretion in carrying out a function, then that function may be undertaken through the 'acting through' concept.

Alternatively, where the decision allows for discretion on the part of the decision maker, then that function needs to be delegated for another person to have that authority.

For further information, see Department of Local Government and Communities Guideline No 17 - Delegations.

PLANNING AND DEVELOPMENT ACT 2005

INSTRUMENT OF DELEGATION

SECTION A—Types of Development

1. Development on zoned land

Applications for development on land zoned under the MRS except—

- (a) where the land is subject to a resolution under Clause 32 of the MRS; or
- (b) where the land is subject to the declaration of a planning control area under Section 112 of the *Planning and Development Act 2005*; or
- (c) where that land is partly within the development control area described in section 10 of the *Swan and Canning Rivers Management Act 2006* or is outside the development control area but abuts waters within the development control area; or
- (d) where the local government is of the opinion that the application should be determined by the WAPC on the grounds that the proposal is of State or regional importance or is in the public interest, or
- (e) in respect of public works undertaken by public authorities.

2. Development on regional road reservations

Applications for developments on or abutting land that is reserved in the MRS for the purpose of a regional road, but excluding any application relating to large format digital signage.

3. Large Format Digital Signage applications

Applications from any public authority for development in relation to large format digital signage, on land reserved under the MRS for the purpose of a Primary Regional Road.

SECTION B—Conditions

1. Referral requirements for development on land within or abutting a regional road reservation

The following applications for development on land that abuts or is fully or partly reserved as regional road reservation (classified as Category 1, 2 and 3) shall be referred to Main Roads WA (MRWA) or the Department of Planning (DoP), as applicable, for transport planning related comments and recommendations before being determined by the local government subject to the process explained in clause 4, Section B.

Type of regional road reservation in the MRS	Classification on plans SP 693 (PRR) and SP 694 (ORR)	Referral Agency
Primary Regional Road (PRR)	Category 1, 2 and 3	Main Roads WA
Other Regional Road (ORR)	Category 1, 2 and 3	Department of Planning

The regional road network (PRR and ORR) changes periodically with amendments to the MRS. This clause relates to all regional road reservations in the MRS as amended from time to time. Regional roads subject to this notice and the relevant agency that is responsible for their planning are shown on accompanying editions of plans SP 693 (PRR, MRWA) and SP 694 (ORR, WAPC).

The road categories shown on plans SP 693 (PRR) and SP 694 (ORR) classify the regional roads based on—

- (a) the permissible vehicular access arrangements to the subject land via the regional road frontage
 - Category 1 road means that frontage access is not allowed (control of access);
 - Category 2 road means that frontage access may be allowed subject to approval; and
- (b) the legibility and statutory powers of current road land requirements defined for the purpose of regional road reservation in the MRS
 - Category 3 road means that the subject regional road reservation is not accurately defined or is subject to review by the agency that is responsible for planning of the regional road.

“Category 1 road” applies where regional roads—

- (a) are constructed or planned to a fully controlled and grade separated freeway standard; or
- (b) are constructed or planned to an access controlled arterial standard, (i.e. functioning as Primary Distributor or Integrator Arterial (District Distributor) road with widely spaced signalised intersections or roundabouts, and a few, if any, direct access points to individual sites or local streets.

“Category 2 road” applies where regional roads—

- (a) are constructed or planned to a partially access controlled arterial standard, (i.e. a primary or district distributor road with direct connections to local streets and driveways to larger sites, but with some restriction of direct frontage access to individual properties); or
- (b) have direct frontage access to abutting properties due to the historic development of the road and properties.

“Category 3 road” applies where regional road reservation is not accurately defined or is under review.

For enquiries and assistance regarding—

- (a) PRR Category 1, 2 and 3—call Main Roads WA on 138 138.
- (b) ORR Category 1, 2 and 3—call Department of Planning on (08) 6551 9000.

Tables 1, 2 and 3 below outline the category of the regional road reservation and the criteria for referring development applications to agencies for comment in accordance with this instrument of delegation.

**WESTERN AUSTRALIA
ROAD TRAFFIC CODE 2000
REGULATION 297(2)
INSTRUMENT OF AUTHORISATION**

Pursuant to Regulation 297(2) of the Road Traffic Code 2000 the Commissioner of Main Roads ("the Commissioner") hereby authorises
("Authorised Body") by itself, its employees, consultants, agents and contractors
(together "Representatives") to, from the date indicated below, erect, establish, display,
alter or take down such traffic signs and traffic control devices of whatsoever type or
class (except for permanent traffic control signals) as may be required for the purpose
and duration of any works, survey or inspection, associated with the construction,
maintenance or repair on a road (other than a main road or highway), any adjoining land
or any portion thereof within its jurisdiction, SUBJECT ALWAYS to the following terms
and conditions:

- (a) the Authorised Body shall at all times observe, perform and comply with the provisions of the "Traffic Management for Works on Roads Code of Practice" (as amended or replaced from time to time in consultation with the Traffic Management for Roadworks Advisory Group) issued by Main Roads Western Australia ("the Code") referring to the version which is current at the time of the relevant works, a copy of which can be obtained from Main Roads Western Australia from www.mainroads.wa.gov.au or by contacting Main Roads by phone;
- (b) the Authorised Body shall develop and implement procedures that will satisfy the Commissioner that traffic management implemented by the Authorised Body, its employees, agents and contractors will in all respects conform to and comply with the requirements of the Code; and
- (c) the Authorised Body shall ensure that its Representatives comply with the terms and conditions identified above at paragraphs (a) and (b) as if they were named in those paragraphs in place of the Authorised Body.

By executing and returning the acknowledgment at the foot of this authorisation, the Authorised Body agrees to observe, perform and comply with the above terms and conditions.

This Instrument of Authorisation replaces any prior Instrument of Authorisation under Regulation 297(2) of the Road Traffic Code 2000 between the Commissioner and the Authorised Body. The Commissioner's delegation dated 17 July 1975 to a number of Local Governments outside the Perth metropolitan area, is not affected by this Instrument of Authorisation except that this Instrument of Authorisation prevails wherever roadworks are concerned. That 1975 delegation was made under Regulation 301 of the Road Traffic Code 1975 and related to non-regulatory signage.
