Having purchased our Darkan property in 2024 with my husband Peter, we then went on to purchase and reopen the local cafe, The Great Awakening Cafe.

Myself and Peter are parents to 4 beautiful girls, and have an ever growing bunch of grandchildren.

Born in Kalgoorlie and lived in Norseman for 38 years, I am more than aware of the struggles that face small country communities such as ours to survive.

I have done everything from managing a Mitre 10 store, to cleaning abattoirs.

My background also consists of working in the mining industry for many years, both as operator and trainer.

This is not my first experience in the West Arthur Shire, as we had the job of looking after the old Arthur River Store before it was demolished.

We've been welcomed back with open arms into the West Arthur Shire and look forward to contributing to the community wherever we can.
