I, Helen Mary Lubcke, would like to nominate for a position as councillor for the Shire of West Arthur.

I have called Darkan home since my marriage to Craig Lubcke in 1994. I loved brining my children up in Darkan, both of whom farm within the Shire of west Arthur, and I would love to see our vibrant community continue for future generations to come.

I am passionate about our community and its members, and I commit to working as part of the team of councillors for the Shire as we navigate the future demands on our resources and the changing needs of our population.

I have strong communication skills, both in listening and advocating for our local community. I have demonstrated this on many committees and I am prepared to engage in a respectful manner to build effective relationships. I have a great interest in budgets and financial matters.

I would like to assist and lead the community and help shape local decisions to benefit all members.

Thank you for considering my nomination.
